

# Poster - Learning Sequence and Resources

## Suggested Learning Sequence

- Study design basics (contrast, space, alignment)
- Practice laying out text and imagery
- Use templates or grids to organize design
- Adjust color, resolution, and typography
- Prepare for print or screen-based display

## Where to Look for Help

- Design blogs and inspiration sites
- Poster layout walkthroughs on video platforms
- Public library or school digital media tutorials
- Print shop guidelines or specifications
